RESIDENTIAL COURSE FOR 11-17 YEAR OLDS IN THE UK

SUMMER 2018

“

Many of our students come back year after year. ”

A Typical Day

Sample only and may vary depending on venue.

*Timings of breaks are at the discretion of the individual teachers / coaches.

Why Worth?

Combine English Language tuition plus Specialist Options with high levels of staff supervision.

DUAL APPROACH

We offer students the opportunity to pursue a passion or interest and use it to improve their English language skills. By being able to do something which they really enjoy with other children with a common interest, they will naturally use and practise their spoken English. By doing so in a relaxed and engaging environment, they won't even notice that they are learning English!

MULTI NATIONAL ENVIRONMENT

We provide a truly multinational environment with children from approximately 65 different countries attending our camps each year. We watch friendships grow through mutual interests. The children eat, learn, train and grow together.

SMALL CLASS SIZES

We offer an optimal level of staffing for all of our activities with an average English Language class size of 10 students and a maximum of 14 students.

HIGH LEVELS OF STAFF SUPERVISION

We offer one of the best staff to student ratios available. We employ qualified coaches, tutors and teachers many of whom return year after year to create continuity and quality of care. All of our staff live on site and include House Parents, Welfare Staff, Medical Officers, Lifeguards and a professional coaching and teaching staff, overseen by a Centre Manager.

ACCREDITED BY

In our most recent inspection by the British Council we were awarded 8 strengths making us an *English Language Gazette Centre of Excellence* and placing us within the top 20% of language schools in the UK.

English at Worth

Our English language programme is designed to provide students with the tools to improve their everyday use of spoken English.

DAILY TUITION & SMALL CLASSES

Students will receive three hours of English tuition each week day. Our class sizes are small, with an average of 10 students per class. Each morning or afternoon will consist of 4 x 45 minute lessons with a 15 minute break in between lessons 2 and 3.

PRACTICAL USE

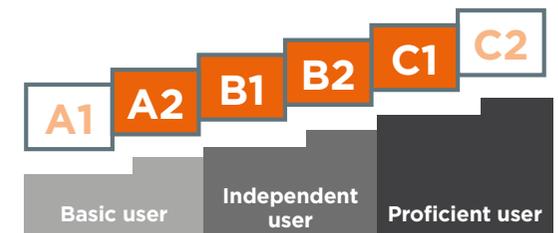

Students will have many opportunities to put into practice what they have learned in class through their Specialist Option and by spending time with other nationalities throughout camp. All of our activities are conducted in English and our multinational environment means that students will primarily communicate in English throughout their stay.

PLACEMENT TEST

Students will be placed in appropriate level groups for maximum learning outcome. They will be encouraged to do an online placement test before arriving at camp, or can complete one when they arrive. During their first English lesson students will undergo a short spoken test. Under the Common European Framework we offer levels A2 to C1 which covers the Basic to the Proficient User.

Students will need at least one year of English tuition before joining the course.

ENGLISH

We offer a range of Specialist Options designed to complement our classroom English language tuition.

We do this to offer the opportunity for practical use of spoken English in a familiar environment alongside other students with a common interest.

We employ professional coaches and tutors in order to ensure every child makes progress whatever their talent or experience.

Students can choose a Specialist Option that they would like to improve, or one in which they are highly experienced.

All students will receive an initial skills assessment and evaluation on their first day at camp. They will then be placed in the optimum group or programme level for them. In order to ensure that all levels are catered for, we send out a pre-camp Specialist Option Questionnaire to parent to assist us.

COACHING

We offer a multi ability coaching programme for all Specialist Options which gives students the opportunity to be coached by top level coaches and play with similarly motivated students from around the world. For the more advanced students, we offer an enhanced and intense programme which includes additional aspects of the Specialist Option.

Since 1988 our aim has been to offer students the chance to gain access to the best coaching available in order to improve and develop their skills in a professional, fun and energised environment. The two founders have both coached and played at a high level themselves and speak from experience.

> WE BELIEVE THAT...

proficiency and enjoyment in sports and other pursuits provide an important key to language learning, by involving students in an activity in which they are engaged and in an environment in which they are relaxed.

Music

Whether students play a musical instrument or like to sing, we have the right music programme for them. Students can improve their skills whilst learning alongside talented musicians from around the world.

Our music team are all professional musicians as well as experienced teachers. They are passionate about music and encourage students to express themselves freely whilst having fun.

We offer a generous average teaching ratio of 1:8, which allows our teachers to focus on individual students' strengths and provide them with the attention they require.

Most of our sessions are in groups and include musical games, songwriting and recording. For more experienced musicians, we may supplement with specialist tutorials according to requirements and by pre-arrangement.

With a focus on popular contemporary musical styles such as Pop, Rock, Funk, Soul and Jazz, we aim to inspire students to express their individuality and creativity as well as train them to work together as a band.

At the end of every week, the students perform for the whole camp. Together we choose the songs we love most and rehearse them over the course of the week.

NB: Students require a minimum of one year's instrumental tuition.

> OUR OBJECTIVE IS....

to inspire students to express their individuality and creativity as well as train them to work together as a band.

“

We believe that music, like English, is a universal language, but like any language it can only be appreciated by those that will engage with it. By collaborating with other musicians, we offer this opportunity.

FOR BOYS AGED 12 - 16 ONLY
NOT SUITABLE FOR BEGINNERS

Our rugby programme has been developed to meet the needs of every type of rugby player. We take pride in establishing a strong sense of team spirit.

We cover both physical skills and the mental aspect of rugby. This includes ball handling, kicking, tactical aspects of the game, game awareness and strategy. We also focus specifically on teamwork and communication.

Every player is given the chance to lead and take control of training and transfer what they have learnt in an exercise or drill into an actual game situation.

All players will be assessed at the beginning of the programme to ensure that they are appropriately grouped and that real progress will be made.

English skills develop quickly on the pitch as players have to communicate their ideas, needs and opinions to fellow players in a pressurised environment.

Above all, students leave with a strong sense of confidence as individuals and as valued rugby players.

“

Our coaches strongly believe that lessons learnt on the pitch should transfer into life, and there is a focus on helping young players to develop into responsible, thoughtful and courteous leaders.

Horse Riding

Our horse riding programme caters for most levels of ability, from those who have limited riding experience, to students are accomplished riders.

Our team of experienced riding instructors take great care in matching riders and horses, so that during their stay students gain in confidence and riding ability, as well as improve their English language skills in and around the stable yards.

Riders are assessed and, depending on their ability, spend the week receiving tuition in dressage and show jumping, as well as hacking across the beautiful English countryside.

All our training builds towards competition day each Friday, when riders compete in a dressage test and on a show jumping

course (ability specific), starting with poles on the ground and building upwards for the more experienced riders.

A key element of our programme is stable and horse management. It is part of the daily routine and students learn to groom and prepare their horses for riding, as well as studying the names of the equipment they are using and the points of the horse - all in English.

NB: Students require a minimum of one year's riding experience

Pastoral Care

STAFF SUPERVISION

We offer one of the most generous staff to student ratios available. We ensure the safety, happiness and well-being of all of our students, and provide an overall average ratio of one staff member to four students.

All of our staff are police checked and have received Child Protection training with many staff members returning year after year.

All staff are residential and live on site, sleeping in the same houses as our students. Each student is allocated a House Parent and a Welfare Staff member

upon arrival, who will take care of their welfare and happiness for the duration of their stay.

ARRIVAL AT CAMP

Upon arrival at camp, students will first meet the administrators and medical staff who will check them in before being shown to their rooms. A welcome meeting will then introduce them to **us** and our Code of Conduct. They will be given their daily schedule, and take part in activities designed to settle them in quickly and make new friends.

MEDICAL FACILITIES AND ARRANGEMENTS

Each venue has two on-site Medical Officers, as well as trained First Aiders, and is within easy reach of hospitals and medical centres. It is important that we receive accurate medical information before camp.

Internet and Communications

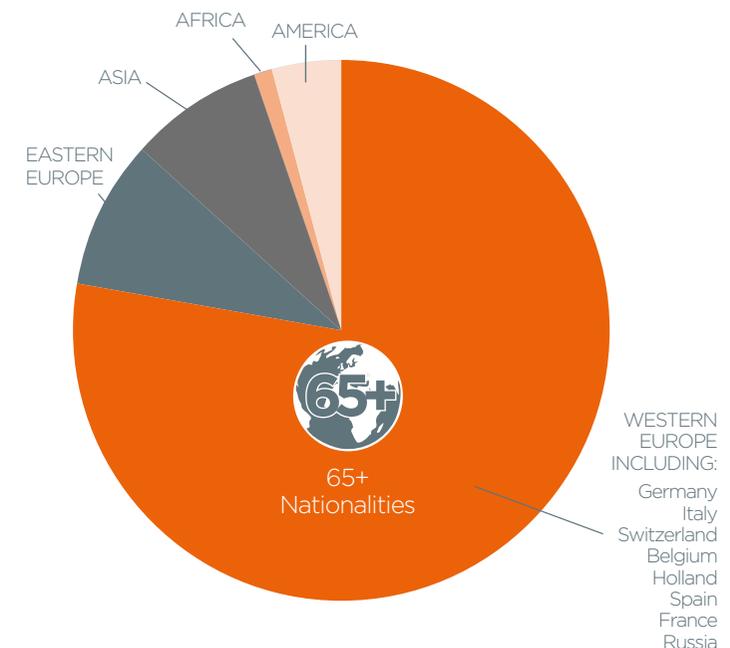

Every school has its own protected Wi-Fi network, where students can log in before or after their lessons to communicate with home. Due to the countryside locations of our centres, the Wi-Fi and telephone signal may sometimes be intermittent.

Nationality Mix

Welcome students from all over the world with many different native languages.

This nationality mix is crucial to the success of our camps. We limit the number of students from any one nationality to ensure that English is the primary language spoken. In 2017 we welcomed students from over 65 different countries.

Evening Entertainment & Leisure Facilities

EVENINGS

After a full day of activities, we offer a fun and varied programme of evening entertainment. Our entertainment team plan lots of activities including talent shows, movie nights, team games, scavenger hunts, dodgeball, disco nights and race nights.

This offers everyone at camp a chance to mix and get to know each other better, outside of their English lessons or Specialist Option group.

The students are under the full supervision of staff at all times.

LEISURE FACILITIES

All of our venues have comfortable common rooms with televisions and a variety of indoor activities. Swimming pools are also available at all venues and are supervised by qualified lifeguards.

There are large outdoor areas where students can relax with their new friends and play games such as table tennis, table football, short tennis and volleyball.

Various sports equipment is always available for the students to enjoy some informal sports outside of coaching sessions.

Excursions

Students staying for more than one week will be offered two full day excursions every weekend.

CITY VISIT

One of our excursions will consist of a city visit to a place of interest, for example Bath, Brighton, Oxford or Cambridge. Students will get the chance to experience historical British culture, natural attractions and landmarks. They will be offered the chance to do some shopping, relax and have fun.

All excursions are fully supervised by staff. Packed lunches will be provided on the day of the excursion. London excursions may also be available at an additional cost, subject to availability.

THEME PARK

Our most popular excursions include those to theme parks such as THORPE PARK or Chessington World of Adventures. Students enjoy a full day of roller coaster fun at one of the UK's fantastic theme parks. It's a great way to relax and enjoy new friendships! With smiles all the way.

Arsenal Soccer Schools students staying for 2 weeks or more are offered the opportunity to visit the Emirates Stadium, home of Arsenal Football Club, including a full tour of the stadium and behind the scenes of an international football club.

“ We believe that if you engage students in activities that they love, they will naturally improve their English language skills. ”

Travel

ACCOMPANIED TRAVEL
from and to international airports
& train station

We offer an accompanied transfer service from specific London airports and the Eurostar International Railway Station at St Pancras. You are also welcome to bring your child/children to camp yourself.

TRANSFER SERVICE

When a transfer is booked, students are met in the Arrivals Hall by a representative. For their return journey, students will be checked in and seen through security in time for their flight. Our staff will remain at the airport/station until all flights or trains have departed. Students will be supervised by a staff member at all times before security for departures, and after security for arrivals. Please note that UK Border Control does not allow children to wait alone without supervision.

You can choose from two different transfer options. We recommend our Standard Transfer Service wherever possible, as this is the most economical option, and also enables students to settle into camp more quickly.

1. STANDARD TRANSFER SERVICE

In order to keep transfer costs as low as possible, we arrange group pick ups and

drop offs within our stated Standard Arrival and Standard Departure times, at our specified Standard Arrival and Departure Points. Students will be met by a representative as soon as they clear Customs and will be transferred to camp as soon as the whole group has arrived. Students will be supervised at all times and will be transferred to camp as soon as possible.* For departures, students will be taken to the airport in plenty of time for their flights.

2. OUT OF HOURS TRANSFER SERVICE

Students arriving outside of our Standard Transfer times can use this service. It is always worth checking whether it is more economical to pay a little bit extra for a flight in order to arrive within the Standard Transfer times to avoid the additional cost of an Out of Hours Transfer. A staff member will meet all students in exactly the same way, but students may be transferred individually or as a group depending on other departures and arrivals.

STANDARD TRANSFER TIMES

Arrival at airport/Eurostar terminal:

Departure from airport/Eurostar terminal:
Saturdays between 12.00 - 17.00

Students can only make use of the Standard Transfer if they arrive/depart within the times stated above. UK Border Control (Immigration) may stop any child traveling alone and will only release them into the care of an adult. Therefore, students cannot wait by themselves.

Travel outside of our Standard Arrival and Departure Points and times will be charged on an individual basis.

TRAVELLING DIRECTLY TO CAMP

You may wish to bring your child to camp yourself. You are very welcome to do so but we do ask that you observe the following drop-off and collection times.

ARRIVAL AT **Worth School:**
Sundays between 15.00 - 16.30

DEPARTURE FROM **Worth School:**
Saturdays between 09.00 - 11.00

Any student not requiring a transfer arranged by **us** must be accompanied by an authorised adult in accordance with the **our** Duty of Care.

MINORS TRAVELLING UNACCOMPANIED

If you are concerned about your child travelling without an adult, there are two options available to you. Some airlines (e.g. Ryanair and Easyjet) also have a minimum age at which a child is allowed to travel unaccompanied, so it is important to check this information before booking.

AIRLINE UNACCOMPANIED MINOR (UM) SERVICE

In this case the airline will provide a member of staff who will be responsible for your child during their journey. You will hand your child over to the airline, who will ensure that they are looked after throughout their time at the airport, during their flight, and handed to a staff member upon arrival.

Not all airlines provide this service and different rules and age limits apply, so please check with your airline. You will need to book this service with your airline yourself.

* Airports are extremely busy during the summer which means there can be long delays for our transport to reach the pick up zones at the terminals. Unfortunately, this is outside of our control but students will be supervised at all times.

PRIOR TO TRAVEL

1. Check local requirements for children travelling without their parents or legal guardian – each country has specific requirements and may require written consent and/or identity documents.
2. Check visa and health insurance requirements, and that your child has a valid passport. (EU residents should have a valid EHIC card).
3. Book travel and confirm details and transfer requirements to **us** as soon as possible.
4. If you are using an Unaccompanied Minor Service, complete the UM form provided by your airline for both journeys.
5. Complete the Parental Consent Form and store it with your child's other travel documents. This must be with your child at the time of their travel.

We believe that if you engage students in activities that they love, they will naturally improve their English language skills.
