### Location and Centre

Devon is home to some of the UK's finest beaches and traditional seaside resorts, of which Dawlish, on the south coast of the county, is no exception. Situated 300km south west of London, this small but lively town has played host to many happy holiday makers over the years.

With a capacity limited to 48 students, Dawlish has a warm family atmosphere which makes it perfect for those who are visiting England for the first time. The school itself is nestled in picture-perfect grounds complete with a trickling stream.

Due to its exclusive seaside location, the programme can be specially tailored to include activities on the beach – always a popular option!
