## Important Information

### Lost Property

All personal items should be clearly named. We strongly recommend that all valuables are left at home.

### Laundry

A weekly laundry service for clothes is available. Bed linen is provided for all guests and is changed weekly. Guests will need to bring their own towels. We recommend one towel for showering and another towel for wet/dirty activities.

### Cleaning

Bins are emptied everyday and rooms are cleaned thoroughly once a week.

### Guest Behaviour

Please refer to our online Code of Practice document for our Code of Conduct for visiting groups.

### First Aid

All our Activity Staff hold an eight hour Emergency First Aid Certificate and a number of Senior Staff hold a First Aid at Work Certificate. This allows the immediate application of any first aid treatment required. Cold storage for any medication can be arranged if required.

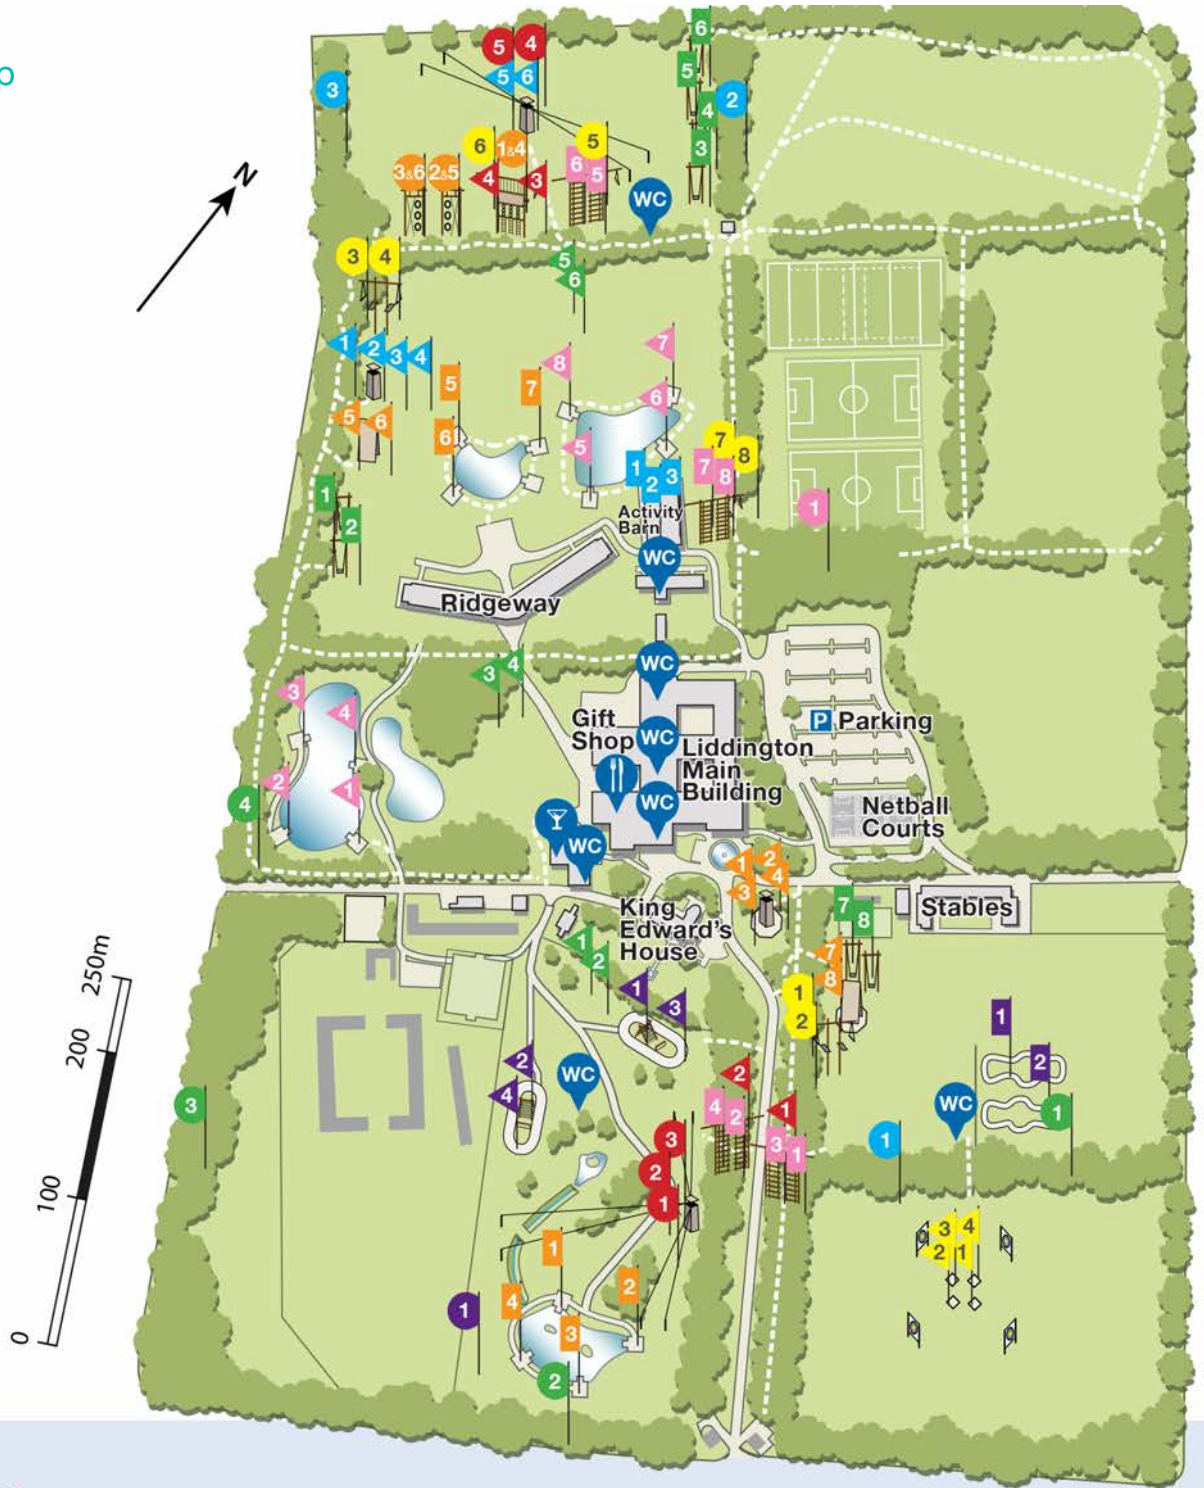

### Insurance

We are able to arrange insurance cover for visiting groups through our existing provider. Please contact us for details.

### Safety

We are proud of our excellent safety record which is due to the diligence and care of our staff. For your peace of mind, a summary of our safety management systems is available in our online Code of Practice document. Where required, our activities are inspected and approved by the Adventure Activities Licensing Authority (AALA). Annually updated risk assessments are also available for all our activity centres and we comply with the latest government guidelines on the health and safety of pupils on educational visits.
