The experience for juniors

If you are a serious student then this course is for you.. You can expect a challenging and varied academic programme that meets your individual needs.

We welcome both international and British students in July and August. Get a great traditional boarding school experience at Sidcot School near Bristol.

Personal Best

Personal Best is the philosophy of learning and teaching for us . We are free from the restrictions of the national curriculum and we can design and deliver courses to meet your needs. Our teachers want to help you to enjoy being mathematicians, artists, humanists, scientists and linguists. You will do the best you can to learn and improve your subject knowledge, your language skills and your communication with others. We hope that what you learn with us will inspire you and help you to be successful now and in the future.

Exciting programme in English - CLIL

Whether or not English is your first language, you will have the opportunity to develop your skills in interpersonal communication and in academic language proficiency. This will help you to study and communicate in the international world of today and tomorrow.

In the English language teaching world, the current term is **CLIL: Content and Language Integrated Learning**. Our programme is individually designed to enable you to learn academic subjects that interest you and at the same time, improve your English language skills.

"I would definitely recommend this course to my friends to improve their knowledge, their grades, to see Britain itself, to meet different nationalities. It is really worth it."

Aizhan, 17, Kazakhstan

"I came to get help with my GCSEs and I can see a big improvement in my classes already. I study foreing languages and here I could hear them in action! I enjoyed the boarding experience and the trips and activities. If you are British, definitely come!"

Hannah, 14, UK

This course is for you if you:

- need to revise a particular academic subject
- are following or planning to follow GCSE, the IB Diploma or A Level courses
- are considering continuing your education in the UK
- plan to use English for study and work in the future
- are looking for a stimulating and enjoyable summer learning experience
- enjoy meeting and communicating with people from a wide range of countries and cultures

More about us

Your welfare

Learning

"It is not difficult to study during the summer, as lessons are excellent and we have lots of trips and activities, such as trip to Oxford, Black Country Museum in Birmingham or the trampolining in Bristol. Tutors do come with us on the trips and they are also happy to help if we have any problems."

David, 13, Italy

"The teachers are really good and all the lessons are active, you need to do something all the time rather than just listen. I also enjoyed the evening lectures - some of the speakers were famous or met interesting people and they were telling us all about it."

Basma, 15, Saudi Arabia

"I like the activities we did as they are not what I am used to. I also did horse riding whilst at Academic Juniors - I really liked the horses I rode."

Lucia, 10, Spain

Back to School programme – Last week in Bristol

More here

This is a stimulating one-week programme to prepare you for a successful year at school. The course starts with a leadership and teambuilding day. You will participate in lessons that **focus on literacy, numeracy, current affairs and global issues** as well as developing key skills that will help you be a more successful student.

We will help you **improve your study skills** whatever subjects you are interested in and encourage you to become an **independent and confident learner**. This will stand you in good stead for GCSEs, A-levels, IB, university and beyond.

"First I wanted to leave early as most of my friends were leaving, but then I realized it was good opportunity to make new friends....I actually stayed for two extra weeks. The learning here was different from my home country, I did lot of different subjects and the teachers motivated us to learn and were always to help."
