

Business & Finance - Chelsea College Londres

Business & Finance

Want to see London's
business and financial
centre close up?

The Business & Finances course offers you the opportunity to explore your favourite subjects in more depth, improve your English and gain an insight into your chosen career field. You will experience what it is like to study at one of the UK's leading independent colleges, where our expert teachers will assess your potential and advise you on your options for the future.

You will be taught in small groups in a relaxed and collaborative environment, meet leading professionals and take part in interactive workshops and seminars.

At the same time you will have fun exploring this great and most international of cities and visit some of London's incredible cultural and commercial attractions with other students from around the world.

“This course really makes you feel proud to complete work and demonstrate the applied skills you have learned in practical scenarios. Both teachers and fellow students will inspire and teach you to explore new knowledge. You will really enjoy it here!”

Natalia Lykova from Russia

Business & Finance

The Business and Finance programme aims to develop your knowledge of the commercial environment. We will provide you with an introduction to the principles of Business and Finance and help you to identify which areas of these fields would be best suited to you in the future. Fields covered will include marketing, accounting, market research, financial management, entrepreneurship, business planning, micro and macro- economics and more besides.

You will benefit from the following:

- Oxbridge master-classes and advice on university preparation
- Seminars by leading industry professionals and critical thinking experts
- Visit to world leading Universities such as LSE and UCL
- Excursions to relevant professional workplaces such as London’s financial district, the Bank of England Museum and the London Stock Exchange
- Expert academic teaching by tutors from Chelsea College, one of the UK’s leading independent colleges
- English language tuition to complement your academic studies
- Combination of theoretical and applied learning experiences

“This course was the best way for me to decide which academic pathway would suit me most before I commit to the subjects full time.”
Julio Rubio Arrocha from Spain

“ When we went to Bloomberg it was amazing. The guide was very well informed and very inspiring. It made me even more determined to study hard so that someday I might be able to work in an environment like that.”

**Angel Labayen
from Spain**

Activities & Excursions

Our social programme of activities and excursions is all about having fun, making friends and experiencing life in London. We offer a range of activities throughout the programme including welcome and farewell parties, film nights, theatre visits, picnics in the park, a selection of sports as well as shopping trips. Furthermore, we encourage students to develop their cultural understanding of the UK through excursions to cultural attractions such as Buckingham Palace, Madame Tussauds, the British Museum and leading universities.

“The teachers on this course have inspired me to chase my dream to study at Imperial College London. When we visited, all I could think was how perfect it was and how much I wanted to study there.”

**Efe Sendag
from Turkey**

When it comes to careers and the professional environment in London, students will be inspired.

- London is the world’s leading financial centre for international business and commerce and is one of the “command centres” for the global economy
- London is the headquarters for four of the world’s six largest law firms
- Students in the capital benefit from a thriving arts and creative industries scene in a vibrant and diverse city, which is host to the world’s leading specialist creative arts university – University of the Arts, London
- Four of the world’s top ten medical universities are located in the UK, two of which are in London
- London’s universities, such as Imperial and UCL are among the best in the world for Engineering and IT. Their graduates have helped the engineering sector contribute £455.6 billion to the UK’s GDP
- London School of Economics and Political Science (LSE) is ranked 1st in the UK and 2nd in the world for media and communication studies. 4/5 of the UK’s top university for this field are located in London.

London

Study in one of the world’s most exciting cities. From beautiful parks, to world-class museums, historic houses and magnificent art galleries, there are some amazing cultural experiences for you in London.

As well as providing exceptional cultural attractions, London also offers academic inspiration. Ranked as the number one student city in the English-speaking world, there are more than 400,000 students currently studying here. London hosts 40 higher education institutions including 22 universities, 15 of which feature in the QS World University Rankings (three in the top 20), more than any other city in the world. Two of the world’s top five universities are in London: Imperial College and UCL.

"The boarding is really cool; the rooms are amazing. They are modern, light and spacious."

Pietro Pierini
from Italy

English Language and Literature

English teaching is an important and integral aspect of the summer school. The content of English lessons is dependent upon the student's ability and subject pathway, as well as the specialisms of the teaching staff. Lessons are interactive and designed to be enjoyable!

Upon entry, students are given an assessment to determine their level of English, students are then allocated to a class based on their ability. Teaching content and styles will vary according to the teachers, who will respond and adapt to the needs of the students. At all levels, students will be encouraged to expand their vocabulary, improve their grammar and advance their spoken English.

Indicative content may include:

- Intermediate: grammar and vocabulary, spoken language practice including discussion
- Upper-intermediate: vocabulary, spoken language practice including debating and speech writing
- Advanced: fiction and non-fiction texts, writing practice in different forms and styles
- Proficient: literature based tasks and language analysis
