

## Medicine - Chelsea College Londres

## Medicine

Think you'd like to be a doctor and want to know more about the skills you need?

The Medicine course offers you the opportunity to explore your favourite subjects in more depth, improve your English and gain an insight into your chosen career field. You will experience what it is like to study at one of the UK's leading independent colleges, where our expert teachers will assess your potential and advise you on your options for the future.

You will be taught in small groups in a relaxed and collaborative environment, meet leading professionals and take part in interactive workshops and seminars.

At the same time you will have fun exploring this great and most international of cities and visit some of London's incredible cultural and commercial attractions with other students from around the world.

“The teachers here really want you to do well and reach your full potential. Our teacher is amazing, he mixed theory and practice perfectly so that we were never bored. We learned all of the subject matter we needed to really appreciate the practical work and the medicine related excursions that we went on. Enjoy the course, learn from every experience and meet lots of new people from different places. You will love being here at Chelsea and being in London!”

Anna Maria Giannelli, Italy

## Activities & Excursions

Our social programme of activities and excursions is all about having fun, making friends and experiencing life in London. We offer a range of activities throughout the programme including welcome and farewell parties, film nights, theatre visits, picnics in the park, a selection of sports as well as shopping trips. Furthermore, we encourage students to develop their cultural understanding of the UK through excursions to cultural attractions such as Buckingham Palace, Madame Tussauds, the British Museum and leading universities.

## London

**Study in one of the world’s most exciting cities. From beautiful parks, to world-class museums, historic houses and magnificent art galleries, there are some amazing cultural experiences for you in London.**

As well as providing exceptional cultural attractions, London also offers academic inspiration. Ranked as the number one student city in the English-speaking world, there are more than 400,000 students currently studying here. London hosts 40 higher education institutions including 22 universities, 15 of which feature in the QS World University Rankings (three in the top 20), more than any other city in the world. Two of the world’s top five universities are in London: Imperial College and UCL.

“The teachers on this course have inspired me to chase my dream to study at Imperial College London. When we visited, all I could think was how perfect it was and how much I wanted to study there.”

# English Language and Literature

English teaching is an important and integral aspect of the summer school. The content of English lessons is dependent upon the student's ability and subject pathway, as well as the specialisms of the teaching staff. Lessons are interactive and designed to be enjoyable!

Upon entry, students are given an assessment to determine their level of English, students are then allocated to a class based on their ability. Teaching content and styles will vary according to the teachers, who will respond and adapt to the needs of the students. At all levels, students will be encouraged to expand their vocabulary, improve their grammar and advance their spoken English.

### Indicative content may include:

- Intermediate: grammar and vocabulary, spoken language practice including discussion
- Upper-intermediate: vocabulary, spoken language practice including debating and speech writing
- Advanced: fiction and non-fiction texts, writing practice in different forms and styles
- Proficient: literature based tasks and language analysis
