- 1 all-weather track
- 1 fitness center with strength training equipment
- Beautiful dormitory living
- Award winning dining room
- Computer room for campers to connect with family
- Wifi throughout the campus

Brief Description:

The Camp is located at the Williston Northampton School, in Easthampton, Massachusetts. The Camp is a wonderful program. Each athlete can develop his or her skills to whatever level they choose. Our Sports Directors are very skilled in their sport and are knowledgeable regarding skill level training. Many of the assistant coaches are members of their varsity college teams in their specific sport at their school.

At the Camp, athletes have the opportunity to choose what sports they desire to participate in and to what extent. If an athlete would like to focus on one sport, that is available up to 8.5 hours per day (6 hours per day if participate in the English Classes) or if they would like to try multiple sports that is also available. Attached please find our Weekly Schedule. Those athletes who will be participating in golf will have an alternative weekly schedule, which will allow them to attend the golf course as per their desired program. This does not have to be filled out ahead of time. When the athletes arrive at the camp, they will receive this schedule. It looks much more complicated than it is for the athletes to fill out. All that the athletes have to do is circle what he/she would like for each period of every day, for the entire week. They can change their schedule at any time for the following day, just not the same day. The reason why they can't change their schedule the same day is because all of our Sports Director's will receive a list of names the night before, in order to create lessons based on the athletes (and athletes abilities) that they will have for each period.

At the Camp our sports instruction is taught by ability level in addition to age and grade. If an athlete is 11 years old, and has the ability level of a 14 year old, that athlete will play with the 14 year olds who have equal ability. The only time that this will not happen is when an athlete will be put in harm's way because of the physical difference in size of the other athletes. In addition, if an athlete is 14 years old and has the ability level of an 11 year old, we will NEVER embarrass an athlete, therefore, we will put that athlete with other 14 year olds who are also beginners.

The Camp provides a happy, relaxed environment that encourages the athlete's participation without forcing or pressure. However, if an athlete desires intense sports development and competition, it is available. Athletes can choose what sports to participate in and to what degree. Athletes are thrilled with our **Basketball, Soccer, Tennis** and **Golf** programs. We also provide participation in swimming and have **English classes**, along with **Math** and **Reading** tutoring. Athletes will have the opportunity to receive both individual as well as team instruction; in all of the sports he or she chooses to be involved in.

Our off campus activities are varied as well as exciting, (amusement parks, water parks, Boston and New York City trips, shopping, etc.) highlighted by our optional white water rafting trip that many athletes desire. Please note, that all of our coaches are trained and experienced in positive

reinforcement coaching. We are also very sensitive to first time athletes, and go out of our way to make athletes feel as comfortable as possible. Within a few short days, athletes feel right at home.

In addition to our quality sports and activity programs, a great opportunity that presents itself for athletes is our camp community. The Camp draws athletes from 96 countries, all over the world. Approximately 34% of our athletes hail from outside the United States and 66% are American. The opportunity to exchange cultural differences and participate in sports and other activities with peers from around the world is second to none.

A great resource for our athletes is our website, Here athletes will be able to use our new **Live Chat**. This is available for real time answers to questions and concerns about their camp experience.

What's included in the tuition:

- All housing in dormitories on the campus (95% of the rooms have 2 athletes per room, 2% have 3 athletes per room, 1% have 4 athletes per room and 2% are single occupancy rooms (typically for our oldest athletes).
- 3 meals per day
- All of the sports instruction (individual and team)
- Once every two weeks a trip off campus (Six Flags Amusement Park, Water Park, Basketball Hall of Fame, etc...)
- Once every two weeks outside entertainment comes to the camp (Trick basketball exhibition, Frisbee dogs, Music concert, T.V. Game Show, etc...)
- 24 hour security
- A theme based party typically on Friday nights (Hawaiian party, Black White Party, etc...)
- Evening activities (Casino night, Minute to Win it Contest, etc...)
- Internet access for emailing family and friends
- Wifi throughout the campus
- A Camp - sports bag
- A Camp – water bottle
- A Camp – gold medal
- Camp T-Shirts
- A full time nurse and a full time athletic trainer
- A camp doctor for emergencies

Camp Golf Program Options:

The golf program is designed into 3 designations of participation.

1. - *PGA Program.* (s Camp - Productive Golf Academy) The – PGA program includes instruction on the course one day per week, with former All – America golfer (2nd in U.S.A.) and owner of the Camp. Golf play and instruction at the golf course each day, Monday through Friday (weather permitting). All day instruction at Crumpin-Fox Country Club (Rated #1 golf course in Massachusetts by Golf Week Magazine and top 100 course in America by Golf Magazine) 2 days per week with club pros that are certified PGA professionals!! On the opposite days, we utilize the local area golf courses in order to be challenged in all facets of the game. As well this program includes unlimited trips to the driving range and optional practice during league time. Golf is the athlete's primary sport and is their first choice of sport participation.

2. *Casual Participants.* This designation is for athletes that will allow 1 trip to the golf course per week and the opportunity to go to the driving range up to 5 times per week. Golf is not their primary sport; however, they enjoy participating regularly.

3. *Occasional Participants.* This designation is for athletes who just want to play golf once in a while. Golf is not a sport that the camper looks to play often while attending the camp. These athletes will have the opportunity to go to the driving range up to 5 times per week, however, will not be able to go to the golf course.
